Camp 100 Role Guide

What is our role

- Be the kind face of the organising team!
- Be the eyes and ears of the camp organising team
- Be a kind and responsible presence
- Be available and approachable to all campers!
- Be helpful!

How do we do this

- We look after ourselves first: Water, Sun-cream, eat properly
- Use that Walkie-Talkie! **Call it in. Call it in. Call it in.**
- We ask for help! Problems big & small!
- You can politely ask people to show their wristbands
- Stay alert – but remember that you're in pairs for a reason
- Keep to our observation route or observation spot
- Bad behaviour: Keep eyes on it, don't accuse, establish who their leader is
- Brief & debrief before shift

What do we do in an emergency:

- Do not put yourself in danger – even if that means leaving the eyesight of the emergency
- Stay calm – composed & polite
- Call central as soon as possible
- Communicate clearly and concisely
